Snow is falling
All around me
Children playing
Having fun

It's the season
Love and understanding
Merry Christmas everyone

Time for parties and celebration
People dancing all night long
Time for presents
And exchanging kisses
Time for singing Christmas songs

We're gonna have a party tonight
I'm gonna find that girl underneath the mistletoe
We'll kiss by candlelight

Room is swaying, records playing
All the old songs, we love to hear
All I wish that everyday was Christmas
What a nice way to spend the year

We're gonna have a party tonight
I'm gonna find that girl underneath the mistletoe
We'll kiss by candlelight

Snow is falling
All around me
Children playing
Having fun
It's the season
Love and understanding
Merry Christmas everyone
Merry Christmas everyone
Ooh Merry Christmas everyone

Ooh, ooh, ooh, ooh, ooh, ooh, ooh, ooh, ooh,

Snow is falling
All around me
Children playing
Having fun
It's the season
Love and understanding
Merry Christmas everyone

Snow is falling
All around me
Children playing
Having fun
It's the season

Love and understanding
Merry Christmas everyone

Oh, snow is falling
All around me
Children playing
Having fun
It's the season
Love and understanding
Merry Christmas everyone
Merry Christmas everyone
Ooh, Merry Christmas everyone

I walked across an empty land
I knew the pathway like the back of my hand
I felt the earth beneath my feet
Sat by the river and it made me complete

Oh simple thing where have you gone?
I'm getting old and I need something to rely on
So tell me when you're gonna let me in
I'm getting tired and I need somewhere to begin

I came across a fallen tree
I felt the branches of it looking at me
Is this the place we used to love?
Is this the place that I've been dreaming of?

Oh simple thing where have you gone?
I'm getting old and I need something to rely on
So tell me when you're gonna let me in
I'm getting tired and I need somewhere to begin

And if you have a minute why don't we go
Talk about it somewhere only we know?
This could be the end of everything
So why don't we go
Somewhere only we know?
Somewhere only we know?

Oh simple thing where have you gone?
I'm getting old and I need something to rely on
So tell me when you're gonna let me in
I'm getting tired and I need somewhere to begin

And if you have a minute why don't we go
Talk about it somewhere only we know?
This could be the end of everything
So why don't we go?
So why don't we go?
This could be the end of everything
So why don't we go
Somewhere only we know?
Somewhere only we know?

Somewhere only we know?

There once was a ship that sailed the seas. A pirate ship carried on the breeze. The winds blew up, the rain came down and the thunder made a clap!

Soon may the pirates come to climb aboard and have some fun. Stamp your feet and beat the drum and give a mighty roar.

The pirate ship had travelled far. The captain yelled a mighty: ARR! The winds blew up, the rain came down and the thunder made a clap!

Soon may the pirates come to climb aboard and have some fun. Stamp your feet and beat the drum and give a mighty roar.
