Your children's first Spanish words, that will give them grounding for future learning at Secondary school with confidence and enthusiasm. Children will learn through games, activity sheets and songs, in a non-formal way, just having a good time in contact with an experienced native speaker.

Apart from the Spanish Language, I will show them that there is a whole world out there full of traditions, festivals, culture and interesting facts for them to discover.

If your child would like to join it, please **contact me** directly for more information, trial session or enrolment form.

Gracias 😊
