

Year 5 Spelling – Spring 1, Week 6 — 12 spellings – revision Year 3 and 4 list

Little and often is best. A good method to learn spellings is **Look-Say-Cover-Write-Check**.

Look at each word in turn and **say** it out loud. Then **cover** it up.

Write the word in joined up writing. **Check** if you have spelt the word correctly. If not, correct it straight away.
