

## Year 5 Spelling – Spring 1, Week 4 — 12 spellings – words ending ably or ibly

Little and often is best. A good method to learn spellings is **Look-Say-Cover-Write-Check**.

**Look** at each word in turn and **say** it out loud. Then **cover** it up.

**Write** the word in joined up writing. **Check** if you have spelt the word correctly. If not, correct it straight away.
