Wednesday 17th December

Dear Parents/Carers

Year 3 – Portals to the Past and Woolly Mammoth Making

As we near our festive holidays, I wanted to write to inform you about the start of next term.

In January, Year 3 will be starting their new topic, 'We Will Rock You' which is all about the Stone Age. As a fun way to kick off this topic, we will be having an immersion day on Tuesday 6th January, with lots of activities to immerse the children in Stone Age life (this is not a dress up day).

We have also invited a company called, 'Portals to The Past' to visit MJS. This visit will be on **Monday 12th January and Tuesday 13th January**. Over the two days, they will run an exciting workshop for each class, with hands on activities, to help the children understand what life was like during the Stone Age.

On Monday 12th January, the classes having the workshop will be **3JD, 3SR** and **3SL**.

On Tuesday 13th January, the classes having the workshop will be **3ST**, and **3HB**.

The cost of this immersive workshop is a voluntary contribution of £7.50 per child. We understand the financial pressures at this time of year, so payment on School money is live now and will remain open until Wednesday 14th January. Without this payment, we would not be able to put on these wonderful experiences for the children.

Also, a plea for your recycling! Starting in the second week of term, we will be making woolly mammoths using plastic milk cartons. Please could you save a four-pint milk carton (including the lid) for your child and bring it into school in the first week back. Please could they also be washed and cut like the picture below.

Yours sincerely,

Mr Davies
Year 3 Lead Teacher
