Subject: Forest School Volunteers

Dear Parents and Guardians,

We are excited to continue our Forest School sessions next term, giving the children wonderful opportunities to learn and explore outdoors. To make these sessions successful and safe, we rely on the support of parent volunteers.

If you can help during your child's class session, please refer to the attached timetable for the dates allocated to each class. However, you are very welcome to volunteer for other sessions too - your help is appreciated whenever you can offer it!

Your assistance could involve supervising activities, helping with practical tasks, and ensuring the children enjoy their time in nature.

If you are available to volunteer between 12:30 and 15:00 on the allocated dates, please let us know by emailing the school office as soon as possible with your details and I will be in contact prior to your child's session starting to confirm details.

If you would like any more information, please don't hesitate to ask.

Thank you for your continued support in making Forest School a memorable experience for all our children.

Kind regards,  
Miss Maloney @ Forest School
