

WELCOME TO

MAIDENBOWER JUNIOR SCHOOL

OPEN EVENING

Wednesday 20th May 2026

4:00-6:30pm

A warm invitation is extended to
all parents and friends of
Maidenbower Junior School

The aim of the evening ...

is to celebrate our school community, both with current and new children and families. Children's work will be out to celebrate and we encourage families to look at all year groups to find out about the learning that takes place across the school. Children's work may be in different classrooms so we encourage you to look round the whole school at the current year group curriculum and future years.

Entering school

Please enter the building from the doors that lead onto the playground.

Performances

There are a small number of performances taking place in the hall during the afternoon:

4:15 - 4:45pm - MJS Choir Club

4:45pm - 5:15pm - Musical / Gym performances - children involved have been given a more precise time

5:15pm - Let's Dance - our Y5/6 dance club performing their fantastic dance

Refreshments

There is no café this year, but we will be selling cold drinks and snacks around the sheltered area in between the playgrounds.

MJS Governors' Barbecue

If you wish to sample more substantial hot food, come and visit the Governors' barbecue, located on the upper school playground....delicious! Hot dogs and beef burgers, including vegetarian options will be served. Cash and card payments accepted.

Parking

Parking space is limited around the school so please try to walk or car share if you can.

Please remember that smoking and/or vaping are not permitted anywhere in the school building or grounds.

WHAT TO SEE AND WHERE ...
