

MJS NEWSLETTER

Friday 9th October 2026

Dear Parents and Carers,

Next Friday, we welcome Crawley Open House to our Harvest assemblies. They will talk to the children about the work they do and would welcome any food donations. These can be brought into school on Friday, or any day during the week and they hugely appreciate the generosity of families each year.

Next week is also the first Pizza Day of the year. Many thanks to the PTA for organising this. Please make sure you are aware which day this is for your child if you have put in an order.

Wishing you all a relaxing weekend.

Best Wishes

YEAR 6 CROSS-COUNTRY COMPETITION

After finishing in the top ten of the recent Maidenbower Mile, 20 Y6 children represented the school in the Crawley Championships at Oriel yesterday.

In beautiful weather, the runners navigated the course to reach the finish line, with each runner gaining points for their school.

Overall, the team came second, finishing narrowly behind Milton Mount.

Well done to all of the athletes for effort and achievement, with particular congratulations to Jack who won the boys' race.

RESOURCE REQUEST ...

If you have any lego at home that you no longer need, we would love to have it! Lego is used a great deal for specific interventions and to support self-regulation and we would appreciate any unwanted bricks/sets.

The same applies to any art/craft resources that you no longer need, e.g. beads, loom bands, etc.

Thank you.

PARENTS EVENING – YEARS 3, 4 AND 5

In the dates section of previous newsletters, the parents evening advertised for 3rd December was said to be Years 3, 4 and 5. This should be Years 4, 5 and 6 as Year 3 have had their parent meetings already.

Communication to book these meetings will be sent out nearer the time.

MAIDENBOWER MILE CORRECTION

Apologies to Sophie H in 3DO who was the winner of the Year 3 Girls' Maidenbower Mile last week. The initial of her surname was incorrect and it is right to correct to celebrate Sophie's achievement. Well done!

Yogabugs is a fun and creative class that develops confidence and self esteem through embodied movement and expression. The children are introduced to traditional yoga poses, breathing techniques, meditation, mantra, mudras and journaling. The classes are planned around the ancient wisdom and knowledge of Ayurveda, according to the seasons. I have a love for language and take pleasure in writing original and well know stories. The stories engage the children's imagination and creativity, giving them the confidence to express themselves through the movement.

The class is carefully structured to develop coordination, balance, strength, flexibility taking into consideration the individual needs. Through yoga I teach the children how to calm the nervous system as well as offering tools to support emotional regulation.

Some of the overall benefits of yoga are improved concentration, better sleep patterns, greater self-esteem, reducing stress and anxiety, support emotional regulation and improves low mood, as well as a great form of exercise.

I am very pleased to offer two classes at Maidenbower Junior School on Tuesdays. There are limited number of places available and will be allocated on a first come first serve basis. If your child would like to join, then please contact me for more information.
