

# MJS NEWSLETTER

Friday 27th June 2025

Dear Parents and Carers,

We hope you enjoyed sports days as much as we did. The children certainly did, with smiles on show throughout and afterwards.

Everything about sports day encapsulates what MJS is about - all children taking part and demonstrating resilience and teamwork, with opportunities to showcase their talent, all staff contributing to the organisation and running of both mornings, with children being supported by enthusiastic crowds. Thank you for your part in this, they really are special days.

A breakdown of results will follow next week, but this year's results are:

1st = **Missen**

2nd = **Ivory**

3rd = **Hyde**

4th = **Lowe**

Photos from today's Sports Day will also follow next week.

Although our fire bell evacuation yesterday morning was not planned, a test of any emergency response is how it copes under pressure and hopefully those of you present saw how well-drilled the children are in the event of a fire evacuation. Along with staff, they coped brilliantly and managed the situation really well.

Wishing you a relaxing weekend.

Best Wishes

Mr Pike

# LOWER SCHOOL SPORTS DAY

# LOWER SCHOOL SPORTS DAY continued ...

## TRANSITION DAY—WEDNESDAY 2ND JULY

Current Year 6 - the majority of Y6 will be spending the day in their new secondary school. Details of this should have been provided by the new school.

Current Year 3, 4 and 5 - a transition morning will be taking place in school. This will involve:

- 9:00 - children being told who their new teacher is
- 9:15 - 11:30 - children spending time with their teacher/s in their new classroom. They will also meet the teaching assistants who will be working in their year group.
- The rest of the day in their current classes.

A letter will be sent home during the day informing you of all of this information.

Year 4 children will be sent a separate letter informing you of which class they are in after the Year 4 mix. For data protection reasons, we are unable to share class lists but children will know who is in their class.

## Launchpad and SEND coffee morning

**Tuesday 1st July**  
**9.00am – 10.00am**

Please sign in at the school office where a member of staff will be there to meet you

We would like to invite you to join us for a cup of tea and a slice of cake for our next Launchpad / SEND coffee morning.

This term we have a member from Reaching Families to share some information about the work they do.

Please RSVP to [launchpad@maidenbowerjunior.co.uk](mailto:launchpad@maidenbowerjunior.co.uk)

This coffee morning is available for any parents who work with the Launchpad, or are in the process of getting a diagnosis or an EHCP for their child (or already have one).

### SESAME ALLERGY

As well as being a nut-free school due to severe allergies, please can we ask that sesame is also not used in packed lunches as there is a strong allergy amongst some children in school. As well as obvious foods with sesame seeds on, some brands such as Warburtons have it in many of their products, so we would appreciate your support in this.

## 2ND IN THE COUNTY!

Our athletics team performed fantastically at the recent county finals of the Quad Kids athletics competition at K2. Competing against the best athletes in Sussex, the team ran, threw and jumped incredibly well, resulting in a second place finish.

Children were ecstatic with this result and rightfully so. 2nd out of over 100 schools who entered the early stages of this event is brilliant.

Well done to the team.
