Dear Parents,

We thought you would be interested in knowing what will happen after our recent Ofsted visitors.

After this two day evidence based and rigorous visit with three inspectors, it is now the job of the Lead Inspector to write his report and get it ratified by the larger Ofsted organisation. This process takes between 5 and 6 weeks and as soon as we receive their report, the Governors and I will, of course, inform all parents and publish the findings on the web-site.

In the meantime, thank you for your support throughout. We know that the team listened carefully to parents, following through all conversations that many of you were able to have with them on the playground or through emails. Our children represented themselves fabulously as confident and respectful learners and we are very proud of every one of them.

With best wishes,

Elaine Jenkins  
Headteacher
