CHANGING LIVES THROUGH MUSIC

Changing lives through music

We know that learning to sing or play a musical instrument boosts attainment, promotes wellbeing and enhances self-esteem.

The extraordinary sense of achievement experienced by a child performing their first piece can be a turning point which leads to success and fulfilment in many other areas of life.

At West Sussex Music we are committed to offering innovative, high quality music education that inspires a lifelong love of music.

Building on a strong 50 year heritage, our experienced teachers nurture the talents of thousands of young musicians, enriching schools and communities across West Sussex.

Music has the power to affect the most positive change in lives. With access for all through our inclusive approach – music is for you, so sign up and embrace the change!

Music Lessons

Whether learning in a group or as an individual, we are there to guide each child on his or her musical journey. Expert tuition supports from first steps through to performances on the national stage - ensuring pupils succeed.

Bands, Orchestras and Choirs

The weekly opportunity to play in a group is never far from your doorstep. Our music centre ensembles enrich our students by developing the learning that takes place in school, fostering teamwork and celebrating achievement through regular concert performances.

Quality Assured

Safeguarding is our priority. Our professional educators undergo comprehensive pre-employment checks, rigorous on-going performance management and continuous professional development.

Classroom Music

Our whole-class Key2Music programme offers an inspiring and accessible introduction to instrumental music. Through strong partnerships with schools, every child now has the chance to learn a musical instrument, and every teacher has access to personalised music support from our curriculum specialists.

Singing

Singing is a natural and powerful form of self-expression and is at the heart of all music-making. Our unique, creative approach inspires schools, communities and individuals alike through regular activities and bespoke projects.

Instrument Hire

When learning an instrument, we recognise how important it is for pupils to access the right equipment when they need it. That's why we have an extensive stock of musical instruments available to hire at affordable prices.

Shining stars

We love to celebrate and share the talents of our young musicians through performance. A full programme of concerts and collaborations with our partners ensures children have access to large scale performance showcasing the diversity of musical talent across West Sussex.

Our Vision

As leaders in high quality music education West Sussex Music nurtures, inspires and enriches; changing lives through music.
