

Welcome to Maidenbower Junior School

What might YOU be looking for in a school?

CURIOSITY

RESILIENCE

TOLERANCE

GROWTH

RESPONSIBILITY

RESPECT

What might **BUSINESSES** be looking for?

When we look further ahead and into the world of work, businesses tell us that these skills are vital foundations. We emulate these at MJS.

What makes us special?

- Good leadership (as cited by Ofsted)
- Children make GOOD progress (Ofsted)
- SAT's: Reading, writing and maths higher than the local authority and National levels
- The senior leadership team and governing body set high expectations of pupils and staff and lead by example to create a culture of respect and tolerance. The positive relationships between leaders, staff, pupils and parents supports the progress of all pupils at the school.

What makes our learning special?

- A strong community with the same vision for learning
- Specialist Leaders in Education (SLE's)
- Aspiring aim - to be a beacon of excellence
- Positive learning behaviours
- Many trips and residential opportunities
- Excellent transitions from Yr 2 – Yr 3 and Yr 6 – 7
- Creative and connected curriculum with business links

Our love of learning across the broader curriculum...

‘Well planned, exciting and inspiring curriculum’ (Ofsted).

There are a variety of ways for children to get involved in their learning. We have a topic based approach to learning which the children enjoy with lots of opportunities for outside learning. Residential trips take place for Year 4 and 6.

Vision and Values

*Upon our Imagination,
we Grow, we Dance, we Float...*

Vision and Values

- We have a clear vision at MJS which is centred around our core values. We have six key values – responsibility, respect, growth, tolerance, curiosity and resilience. Each core value is linked to a character and colour. Every Monday an assembly, focussed on our values, is taken and children are awarded a values certificate if they have demonstrated any of the six values. This is one of the many ways in which we celebrate and promote positive behaviour.
- MJS also use marbles in a jar for good choices, which earns the whole class 'golden time'. Stars of the week are highlighted in year group assemblies and children earn merits and house points for themselves and their house.
- Stickers and stamps are also used with children.

Pupils that are happy and whom we are proud of...

We trust and give responsibility to our pupils through encouraging them to get involved with school life. MJS have a school leadership team, digital reps, eco reps, a sports crew and house captains.

Strive to be the best we can be...

We offer ways in which all children can shine whether in sports competitions or solo activities, through sporting achievements, music certificates, art projects, maths and reading competitions and many more.

Our promise – Your child will;

- Be treated as an individual
- Personable and approachable staff
- Develop confidence; work as part of a team
- Gain excellent knowledge and improvement in English and Maths (Schools come to see us in action)
- Experience, learn about and enjoy a wide range of subjects
- Learn through real life experiences, transferable skills and businesses
- Have their strengths recognised and developed

To summarise;

- We are proud of our school and the staff within it.
- We are a true community school at the heart of Maidenbower with parents, staff, children and governors all working towards a common goal.
- Our vision for education is to give every child the best chance in life with learning and values at its heart.
- We have here, a safe and healthy learning community, where children as well as adults are happy, excited, challenged and inspired to be lifelong learners.

Together
MAY WE GIVE
OUR children
the roots to
grow
AND THE
wings
to fly
