

## Year 4 Spelling – Spring 2, Week 5 – ssion and cian words – 10 spellings

Little and often is best. A good method to learn spellings is **Look-Say-Cover-Write-Check**.

**Look** at each word in turn and **say** it out loud. Then **cover** it up.

**Write** the word in joined up writing. **Check** if you have spelt the word correctly. If not, correct it straight away.
