

MJS NEWSLETTER

Friday 26th April 2024

Dear Parents and Carers,

As I write this, the last year group are completing their Maidenbower Mile. It has been a great day with a good mixture of casual jogging/walking and children competing. Watching the London Marathon has inspired me to try to get back into running so I joined in with one year group but my current fitness levels meant I was more than happy to watch and cheer on the rest! My effort was certainly nowhere near the 6:20 minute time of the Year 6 winner.

A huge well done to Mrs Trett for completing the marathon on Sunday. She had a fantastic experience and is already talking about entering it again next year!

Our special visitor this week was the 'Comic Guy' who spent the day in Year 3, teaching each class skills to draw cartoon characters. The children had a great time and were totally absorbed in their work. They will be using these skills to support their writing soon.

Have a lovely weekend.

Kind regards

Simon Pike

HELPING OUR PLANET

A group of pupils from Year 5 have set up their own school club, called P.L.A.N.E.T. Their mission is to make the Earth a better place for all living beings. On Friday (19/04/2024) they did litter picking in Maidenbower Park, and filled up 5 bags. All the rubbish was then responsibly recycled. The children also support the RSPCA with their work to help the animals that live on our planet. Well done for working hard to make the world a better place.

LONDON MARATHON

Well Done Mrs Trett! For completing the marathon and raising lots of money for St Catherine's Hospice.

OPEN EVENING—a reminder

A reminder that school finishes at 1:15pm on Thursday 23rd May, as it is Open Evening.

For new parents this year, Open Evening is a big celebration of learning at school. When children go home, staff lay out children's work, create interactive activities, set up a café and other refreshments, all ready for the children to return. School will reopen at 4:30pm until 7pm,

It is always great to have the children involved in celebrating their learning. The expectation and hope is that children, and families, will visit at some stage during this time to celebrate the learning and embrace the fantastic atmosphere around school.

Some children will be taking part and helping with various roles in school and we will send out a programme of events soon.
