

English

- The children will be immersed in our rainforest geography topic.
- The children will be creating a leaflet to inform and persuade parents about rainforests, deforestation and how they can help
- This term the children will be focusing on research/note taking, creating subheadings, looking at conjunctions to join sentences together and the use of persuasive language.

RE

- Judaism

PSHE

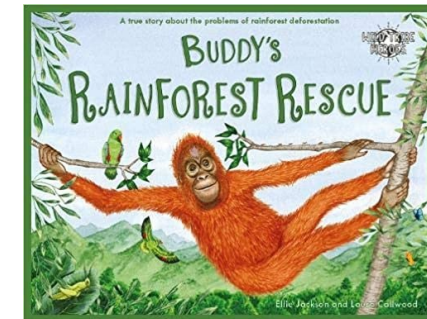

- Relationships

Maths

- Multiply and divide multiples of 10 by 10 and 100
- Multiply and divide by 10 and 100
- Coordinates and translation
 - Review fractions
- Fractions greater than 1

Geography

During this topic, the children will learn about where rainforests are in the world by looking at atlases. We will travel to be immersed in the layers of the rainforest and exploring the types of animals who live in each layer. The children will also learn about the difficulties rainforests are facing and we will be comparing our local Tilgate forest with one rainforest.

Art & D&T

- Rousseau inspired rainforest animal picture

Computing

- Digital photo editing
- TT Rockstars in prep for Multiplication Times table check
- Spelling shed

French

- Greetings
- Body parts (doctor's surgery)

PE & Games

- Striking and fielding games
- Athletics/swimming
