

Year 4 Spelling – Summer, Week 4 — 10 spellings – Year 3 and 4 statutory spellings

Little and often is best. A good method to learn spellings is **Look-Say-Cover-Write-Check**.

Look at each word in turn and **say** it out loud. Then **cover** it up.

Write the word in joined up writing. **Check** if you have spelt the word correctly. If not, correct it straight away.
